

Algorithms & Data Structures - 2

Saturday, November 17, 2018 3:11pm | Conference Room

Minute Taker	Murthy Vemuri (MV)			
Attendees	Arun Kumar (Arun), Siva Shankar (Siva Shankar), Manasa (Manasa), Rehana (Re), Rajesh Kumar (Rajesh Kumar), Vignan (Vignan), Vijay (Vijay), Sukesh (Su), Manikanta (Mani), Murthy Vemuri (MV)			
	Type	Note	Owner	Due
1. ADS - 2 Week - 3 Exam Results	DONE	ADS - 2 Week - 3 Exam results stats are below: 0 test cases - 2 students 1 test cases - 4 students 2 test cases - 27 students 3 test cases - 17 students 4 test cases - 15 students. Deepak and Manikanta batch students results are yet to know.		
2. ADS - 2 Week - 4 Topics	DECISION	ADS - 2 Week - 4 topics are discussed. On the monday, the module to be covered is REGEX - NFA Simulation, NFA construction. On tuesday, Applications of REGEX and Introduction to Data compressions. These two modules will have more activites, but no programming assignments. On Wednesday, RunLength, LZW and Huffman Compression algorithms are to be covered, programming assignments is covered here.		
3. ADS - 2 Code Camp	TODO	Code Camp on Burrows - Wheeler is to be done. Today, we have introduced to mentors and PCs in meeting. Please go through it, so we can cover this code camp on thursday and friday modules.	mentors, PCs	2018-11-21
4. ADS - 2 Results	TODO	Mentors and PCs need to review the ADS - 2 Week - 3 exam result of each student. We need to have a discussion on tomorrow's meeting i.e how many students have implemented the logic of potentialWords method. After monday's mentor training, you can evaluate the ADS - 2 Week - 3 exam.	Mentors, PCs	2018-11-19
5. ADS - 2 Week - 4 Module	TODO	Mentors and PCs need to prepare lesson plan for monday's module i.e on REGEX.	Mentors,PCs	2018-11-19
6. ADS - 2 Code Camp	TODO	Murthy has to complete the Burrows - Wheeler.	MV	2018-11-20
